Clallam Transit System (CTS) has authorized two minor service changes and implemented or improved numerous bus stop locations recently.

Additional Weekday Trips Added to Intercity Routes

In late December, CTS implemented a new trip on **Route No. 14-Forks** service. This run to Forks leaves the Port Angeles Gateway Transit Center at 11:15 a.m. and fills the former gap in service between 9:30 a.m. and 1 p.m. This change moved a deadhead piece of work to revenue service.

This run to Sequim leaves the Port Angeles Gateway Transit Center at 5:30 a.m. and arrives at the Sequim Transit Center at 6:05 a.m. This change also moved a deadhead piece of work to revenue service.
